Racing News

So the Race Committee is in a bit of a break, but we have submitted our marine event request to the Coast Guard for the upcoming season so it can't be too far off. Racing is probably not on your minds at this time of year (or warmer vignettes are on your mind), but we do need your inputs and comments. Any new suggestions? We are reinstating the Jamestown Yacht Club/Conanicut Yacht Club Challenge Race so any suggestions

on format are welcome as we continue planning for this event. Send all of your suggestions to me as soon as possible so we can include them. And please note the **Spring Series** begins **May 10th**. See you out there. Cheryl

Cruising Committee News

Hello Cruisers

The long winter has given us the time to plan some great events for the summer. Our Block Island weekend will once again be held at Block Island over the weekend of July 8 - 10. Last year we had a great time and would like to see you there. If you have not attended, we usually have a Friday night social and then a Saturday night cookout on the beach.

The annual cruise is heading east through the Cape Cod Canal to Provincetown, Ma. It begins July 30th and ending on August 7th. The tides and current through the canal line up very nicely for this week. We will be making a few stops in between and those will be decided as the time gets closer. We welcome any suggestions you might have. We hope you

will be able to join us. Last year we had a fantastic cruise, outstanding weather and lots a great fun. I hope you can join us for another great adventure.

All are welcome to join us. We will assist anyone new to the cruisers, so don't pass up this great event.

Thanks
Ed Doherty

Dear JYC,

Thank you for your generous contribution to the North Kingstown High School Sailing Team. It was very helpful in getting us on our way to New Orleans. The trip turned out to be a success. It was my first time traveling with the team to New Orleans, but two members, Tommy and Dylan have made the trek before. Our fourth teammate, Johanna, was also on her first trip to New Orleans. We flew down on a Thursday, arrived late at night, and quickly fell asleep at our gracious host's house. On Friday, we visited the very fancy and recently rebuilt venue at Southern Yacht Club, visited Bourbon Street, dined on some delicious Louisiana fried food and returned to our beds to prepare for the next day. Saturday was the first day of the regatta, and we headed out to light winds after filling up on the southern style regatta breakfast. After a long and tiring day, we managed to make it into gold fleet, despite our subpar performance. On the second and final day of the regatta, we began the day with slightly more wind and higher expectations. We pulled through the stiffer gold fleet completion to place 5th overall out of 33 teams, a slight improvement over last year's 8th place finish. Thanks again for your ongoing support of our team.
