JYC Chowder Cookoff

Enter the first JYC chowder cookoff, \$5 entrance fee, winner takes home all the cash.

Date: Sept 15, 2013

Location: Ft Getty

Time: 4-7 pm after racing

Bring your crew, new members, family and friends to sample and vote on all entries. If your not making a chowder, bring a side-dish or dessert to complement the chowders. JYC will provide hamburgers, saugys, soft-drinks, bowls, plates and utensils. We will have a couple of propane burners to heat up chowders. Anyone who has an additional burner, please bring it. We'll have volleyball and swimming.

Please RSVP with number of guest and if your entering a chowder. Hope to see you, I already have my top secret recipe ready to roll.

Cruising News

2013 Annual JYC Summer Cruise Recap:

Dates: July 27 -Aug 4

The JYC cruising group joined CYC and headed east via Cutty Hunk and Oak Bluffs to Nantucket this year. The return was through Edgartown and Hadley's Harbor. From my second hand reporting, rumor had about 13 boats participated in this years cruise. We even heard of a rescue/tow in the Nantucket Channel on departure. A JYC vessel lost power in the channel, and another one of the JYC cruisers turned around and towed the stranded vessel all the way to Edgartown. Thank goodness it was a calm day. Overall, I heard it was a good cruise with decent weather. We are looking for a new cruising chair for next year, so if you are interested in participating, take the reins and plan next seasons adventure. We are also looking for feedback about the Block Island mooring if you've had a good experience or heard of any issues, let the board know at the annual meeting.

If you are planning on using the JYC mooring at Block Island, please become familiar with the guidelines for use of the mooring on the homepage of our website.

Racing News

The JYC Summer Racing Series has ended and the weather & wind cooperated for the full 10 races. Our great Race Committee crew pulled together some interesting races for the summer and covered while I was unable to be on the water. My many thanks to them for the coverage. Special thanks to Bill and Lois Cone for volunteering the use of their boat for Race Committee.

The Fall Series has now begun and we're looking forward to our usual fall spectacular weather. Come join us on the water!

Fool Rules Regatta

This years Fools Rules Regatta gain sailing national attention with the publication on the [Scuttlebutt website](http://www.scuttlebutt.com). Below is a summary from the Chief Fool Chris Powell.

On behalf of the Jamestown Yacht Club, I would like to thank everyone who made the 36th annual Fools' Rules Regatta another terrific and successful event. Thirty-seven vessels competed in this year's regatta, with teams and participants from as far away as Florida. The day was beautiful with a fluky northwest breeze, which tried to take some of the intrepid fools to Newport.

As usual, this wonderful event would not be possible without the support and help of many individuals and organizations. First and foremost, I want to thank special thank you to Kate Shaw, one of Candy's former nursing students at Salve Regina University, for providing the artwork for the official 2013 T-shirt, and thanks to John Mecray, our T-shirt design consultant.

Thanks to the Jamestown Town Council for allowing us to use of the

East Ferry beach, and the Jamestown Youth Litter Corps and Recreation Department for cleaning and raking the beach before the event. Thanks to the Public Works Department, especially Brian Dutra, for helping to set up the traffic control. A special thanks to Patrol Officers Ted Hébert, Pierre Pages and Keith Woodbine of the Jamestown Police Department for providing traffic control during the event. Thanks to David Martin of Stearns Farm for allowing us to hang our banner on their fence. Thanks to the Conanicut Yacht Club for the use of the starting cannon.

This event would not be possible without the continued support of the Burgess, Andrews, Noble, Hubbard and Gaither families for allowing us to use the field above the Shoreby Hill green for parking. Thank you very much.

Finally, I would like to thank everyone who enjoys this wacky event and laughed at themselves and others. It is truly fun. See you next August.

Chris Powell

Chief Fool

Commodore's Corner

My 2 year term is ending soon and I hope to see the club continue to promote sailing and get youngsters involved in this sport. I'm turning over leadership to a new board, so come to the annual meeting and voice your desires for the club's future events. We are always in need of help organize activities from social events to racing and cruising. Please consider helping with our social events or joining the board. Hope to see you at the Chowder Cookoff.

Chris Brown
