

JYC COURIER

From the Commodore

The Spring Series is a recent memory and we're into the summer. It looks like a nice stretch of weather this year. We've had some good turnouts for racing and are looking forward to the Cruising season. Check out the Cruising Book on our Website. We have also received an invitation to the facilities at the Edgewood Yacht in Cranston.

Social

We had a great turnout for the Commissioning. Over 35 members attended. No sunset, but the food and drinks made up for it. A good time had by all.

We are looking for someone to Chair the End of Summer Event. We are also open to any ideas you may have.

JYC Cruising

As a reminder, we have two cruising events on the calendar. The annual Block Island weekend takes place on July 8, 9, & 10th. We will have our traditional cocktail social Saturday night and encourage all members to join us.

A couple of weeks later on July 23 we begin our adventure East. We will make a couple stops in Buzzards Bay and look to arrive at Provincetown, MA around Tuesday afternoon. We will spend a couple of days there and then we have two choices. Those on a one week cruise will return back through the canal, visiting some different ports on the way home. Those interesting in a two week adventure can join us heading up to Salem, MA. From there we will sail over to Boston and then make our way back down to the canal and home to Jamestown.

As in years past we will have a cruising guide with all the relevant information on ports, distances, tides and marinas available on the JYC web site. We hope you can join us at either event. Feel free to contact me with any questions at patriot367@yahoo.com.

See you on the water soon Ed

JYC Racing

Our Summer season is here! The Race Committee is enjoying the use of Mike Schnack's What Cheer for our racing. Now we just need to remember that Race Mark 3 is now Race Mark C! Please check out the race book changes for the season (including the name change of race mark 3!) And as a reminder, please do not re-cross the finish line after finishing as it may obstruct the race committee's view of other finishers. We have been invited to join Wickford Yacht Club once again for the race to Dutch Harbor, scheduled for Saturday, August 20th. This is a fun race with an award ceremony/social held later in the fall. So whether you'll be racing or joining the RC, we hope to see you all out there on the water.

See you on the water soon!

Fool's Rules – August 13th

Congratulations to Chris & Candy Powell on receiving the 2016 “Newport Life – Best” Award in the Regatta category for Fool's Rules. They have put their heart and soul into this Event for many years. The recognition is well deserved.

A reminder: They are always looking for volunteers on that day. Call Candy at 423-1492.
