

## From the Commodore

Gary Engelson, Commodore

The boat work has begun!

Our officers and committees have been hard at work preparing a full season of on and off the water activities for us. Race registration is upon us (opening April 1), followed soon thereafter by the Skipper's meeting, commissioning event, and before you know it the annual cruise.

*Don't miss any of our 2019 season. If you missed our Membership Renewal mailing or just forgot to send in your check, please send yours in now, to avoid letting your membership lapse.*

Cheryl Rienzo, Fleet Captain/Race Committee Chair

Welcome to the start of the 2019 race season. Race registration opens April 1. Please complete the registration process, including your fee payment, as early as possible.

We will be holding our annual Skipper's Meeting at the Jamestown Firehouse at 1900 on April 30. At this important meeting, we will review our race circular, safety matters, and some minor rules changes. We look forward to seeing all the skippers at the meeting.

## Cruising

Lesley Engelson, Cruising Chair

Planning for the annual cruise is now underway. We plan to start on July 26 by sailing to Padnarum, South Dartmouth and then continue on July 27 to Onset. The most important thing is to be at the mouth of the Cape Cod Canal land cut at 1300 on July 28, and go through the canal together. Since I have been planning the cruises, we have had a bad weather day on the first day of the cruise. So, I have inserted a buffer day — that should ensure we will have good weather. After passing through the Canal, we head to Plymouth, where land-cruisers and others with schedules that differ from the sailors can meet up with us for activities and dinner in town.

If you are planning to join us for the cruise, or just interested in learning more, email, text, or call Lesley.
